Pouilly Fumé, Firmin Dezat - Organic 2025

White | France | Loire | 13% | Dry, crisp white

Organic

CODE: PF840253

Firmin Dezat's Pouilly Fumé is richer yet stonier than his Sancerre, mineral and tight with a hint of blackcurrant leaf and a long, poised finish.

Tasting Notes

They lie just a river's width apart, with the same grapes and handled the same way by the same grower, yet Pouilly Fumé and Sancerre maintain their own distinct identities.
