

Rijk's Private Cellar Pinotage, Tulbagh 2020

Red | South Africa | Tulbagh | 14.5% | Full-bodied red

CODE: RJ350203

Aged in 60% French and 40% American barrels, of which 40% were new, with the balance in one and two year old barrels. Floral and layered with black fruits on the nose, the palate is dense and rich, focused on bright fruits with supple if present tannins and a long finish – having tasted some older vintages of this, we highly recommend drinking some now and keeping some for a later date.

Tasting Notes

We fell in love with Rijk's Pinotage and Chenin ranges on first taste. When we discovered that they had a range called Private Cellar, it seemed like a marriage made in heaven! Don't miss these award-winning wines from Tulbagh - they sell through incredibly quickly and these are the last few bottles from this label.
