

Ambriel Classic Cuvée, West Sussex NV

White | England | West Sussex | 11% | Dry sparkling

CODE: SAMPAMB

"One of my favourite English sparkling wines. It is exceptionally elegant with a powerful backbone of minerality and the usual apple flavours that tend to differentiate English sparkling wines from traditional Champagne. Drink this and you will understand why English sparkling wine deserves to be taken seriously". Bruce Palling, The Week, July 2019

"The regular Moët Brut Imperial NV retails for around £37 to £42 a bottle these days, somewhat exceeding Andrew's £20 budget. Add another tenner, Andrew, and you could enjoy a bottle of Ambriel's fabulous Classic Cuvée made just down the road from you and still have plenty of change from what Moët would have charged". Jonathan Ray, *The Spectator,* July 2023

Tasting Notes

With a majority of Chardonnay in the blend, Ambriel's Classic Cuvée has textbook white stone fruits, citrus and floral, with brioche and biscuity notes too. Racy and dry, this is truly fabulous and recognised as such by winning Silver at the Decanter World Wine Awards (DWWA). ***Available by the case of six.***
