

Château Montlandrie, Castillon Côtes de Bordeaux 2020

Red | France | Bordeaux | 14.5 | Full-bodied red

CODE: ML140203

The late, great Denis Durantou is succeeded by his daughters, who continue to produce the brilliant quartet of wines: Saintayme, Montlandrie, La Chenade and Les Cruzelles, which offer superb value and delicious drinking from under the radar appellations. We are always delighted to hear how much you enjoy drinking these wines but be warned that their secret is well and truly out; we recommend a quick response with the 2020 vintage.

Tasting Notes

Deep, intense purple black with a fabulous nose of *crème pâtissière*, deep blackcurrant and black skinned fruit, grilled, spiced and very focused, smoky and almost verging on feral. On the palate smooth creamed black cherry on entry then rich creamed black fruits, spiced and dense, so intense and going to an incredibly long finish, with lovely poise and freshness. This always offers such great value.
