Champagne Intuition, Legras & Haas NV

White | France | Champagne | 12.5% | Dry sparkling

CODE: LH100NV3

Dominated by their Grand Cru Chardonnay and ably assisted by Pinots Noir and Meunier, the wine is racy and pure, with a citrus backbone and lovely weight on the palate.

"This is a pure and racy Champagne with flavours of orchard fruits and yeasty brioche; it has plenty of Grand Cru Chardonnay in the blend giving a good balance of citrus backbone and supple weightiness." Tom Lewis on Linked-in

"Why go for ordinary supermarket or pricey big-brand champagne when you can have this corker?" - **Jonathan Ray, The Field**

Tasting Notes

Until late in 2018, this *cuvée* was known as Tradition but Jérôme Legras wanted to get away from a name which is widely used and chose to call the blend Intuition instead; nothing else about the wine has changed.
