

Mixed case - Chauvet

France | Champagne

CODE: CHAUMX22

Our Champagne Henri Chauvet case includes a bottle each of their **Brut Blanc de Noirs NV** and **Brut Nature NV** and includes delivery to mainland England and Wales. From 100% rated Pinot Noir grapes, with the addition of a small amount of Pinot Meunier, these wines enjoy extended time on the lees so they are soft, supple, rich and biscuity by the time they reach us. The only *difference* is in the dosage with 7 g/L and 0 g/L respectively so this is a perfect gift for wine geeks!

Tasting Notes

Founded by Henri Chauvet at the beginning of the 1900s, the Champagne Chauvet estate comprises 8.4 hectares in the village of Rilly-la-Montagne, near Reims, one of the *grand cru* (100% rated) villages for Pinot Noir. The business is now run by third generation Chauvets, Mathilde and Damien, who have supplied us with our go-to Champagne since our very first list.
