Château Séraphine, Pomerol 2022

Red | France | Bordeaux | 14% | Full-bodied red

CODE: SE100223

Dense red, limpid and clear, not opaque, with a nose of spiced dark fruits, cinnamon and oriental spices, with juicy fruits and a distant grilled note leading to a rich, dense palate of smooth blueberry and blackberry fruit, spiced with intense tannins, layered with mocha and black cherry notes, going to a long, almost chewy, grilled fruit finish which just goes on and on. Highly recommended. Drink 2029 - 2040+

95% Merlot, 5% Cabernet Franc; just 4,000 bottles made in 2022.

Tasting Notes

At just 2.2 hectares, Château Séraphine is small, even by Pomerol standards, where the average property is around six hectares. Martin Krajewski's Pomerol adventure, perhaps the inevitable follow-up to his St Emilion incursion at Clos Cantenac, began in 2017 when he bought a couple of plots of land, one on the northern edge of the appellation and the other southwest of the village of Pomerol itself, where the new cellars and château are located. The wines here and at Clos Cantenac are made by Charlotte Krajewski, Martin's daughter, who honed her skills in South Africa and New Zealand before settling into the Right Bank, bringing a wealth of knowledge to bear in these very traditional sites.
