

PRIVATE CELLAR

Château Plince, Pomerol 2022

Red | France | Bordeaux | 15% | Full-bodied red

CODE: PL750223

Deep to the rim, not opaque, with a nose of black cherry, juicily fresh, primary with a light grilled note, floral too – violets – and very alluring with its oak and creamed black cherries. Big black fruit on the palate, spiced with notes of cinnamon, grilled and toasty with big tannins behind and going to a long, black cherry and cinnamon infused finish. Drink 2028 – 2040

8.66 Hectares; 85% Merlot, 15% Cabernet Franc. Aged in barrels of which one third are new.

Tasting Notes

Château Plince is found just outside the village of Catusseau in Pomerol, and has been owned by the Moreau family for over four generations. The vineyard counts Châteaux Nenin and La Pointe as its neighbours, and is planted on dark sand with an iron-rich subsoil, lending both power and suppleness to the wines.
