

Château Pindefleurs, Grand Cru St Emilion 2022

Red | France | Bordeaux | 14% | Full-bodied red

CODE: PN400223

Deep purple black to the rim, semi opaque, with a nose of creamed black fruits, very intense with notes of loganberry and wild raspberry and a distant grilled tone behind. On the palate, creamed dark fruits, black cherry in particular with a very distant spiced note, with grilled new wood discernible but not intrusive; overall this is a very fresh and juicy Pindefleurs, super-appealing with the tannins wrapped in fruit and going to a long, juicy finish. Drink 2027 – 2035+

17 Hectares; 90% Merlot, 10% Cabernet Franc. 12 months in barrel, 50% new.

Tasting Notes

For a while we were able to offer older vintages of Pindefleurs but it has proved so popular that only recent vintages remain available; it does, however, mean we know how the wine will evolve. The Château's 17 hectares of vines are on the western side of the appellation and it is now run by the younger generation.
