

PRIVATE CELLAR

Chablis, Domaine Watson 2022

White | France | Chablis | 12.5% | Dry, full-bodied white

CODE: CW090223

Their Chablis always has a touch of Côte d'Or plumpness to them as a result of a small proportion spending a few months in old oak barrels, and the 2022 is no exception; rich yet linear white stone fruit, ripe and intense with a lovely degree of complexity on the finish

Tasting Notes

Chris and Liz Watson run their micro Chablis property from afar with the day-to-day management in the hands of the Dampt brothers, well-known Chablis practitioners. The fruit for this wine comes from just over 0.5 ha (1 acre) of steep south-facing Kimmeridgian limestone in Vaudecource, near Chichée, located next to Premier Cru Vaucopin. Ageing is in stainless steel and seasoned oak and while Chris and his wife Liz are not in the vineyard every day, they decide the blend every year, so it is still very much their wine. Chris is so immersed in the region that he was made the first Pilier Royal for the United Kingdom – or senior member – of the Confrérie Les Piliers Chablisiens.
