Organic

CODE: NG450193

Each year the Machard de Gramont wines have grown in intensity and purity, reflecting their journey towards organic certification and now towards biodynamic production, along with making changes in their vineyards like reducing summer pruning and leaving the vines perhaps a little less tidy but with the plants better balanced – as well as providing protection from sun and hail.

Tasting Notes

At the top of the hill, above premier cru Vaucrains and usually the last to be picked. Red black with a nose of sweet perfumed fruit, mineral and almost crunchy, very tight and leafy. On the palate, rich sweet black fruit, more effusive than the nose, fresh and vibrant, grilled and perfumed, spiced too with very supple tannins behind, some black cherry and spice, a wine that builds on the palate to a really long, developing finish. Lovely wine. Drink 2023 -2028+
