

PRIVATE CELLAR

Chassagne Montrachet Rouge, Domaine Fontaine Gagnard 2022

Red | France | Burgundy | 13% | Medium-bodied red

CODE: CG190223

From six different parcels lying to the south of Chassagne and down towards Santenay; 20% new oak. Bright red with juicy, plummy spiced dark fruits, almost a cedar note with black cherry behind. Tighter on the palate which bursts with lovely dark berries, black cherry again, really mouth-watering with fine tannins behind, refined and weightier with a really long, spiced, linear finish – a complete contrast to the come-hither nose! This will benefit from a few years ageing. Drink 2026 - 2029

Tasting Notes

Fontaine Gagnard's Chassagne Montrachet Rouge comes from a tiny 1.5 hectares of vines, and sees 20% new wood. No whole bunch fermentation here, but Céline Fontaine adds some stalks back into the fermentation to add some texture.
