

PRIVATE CELLAR

Farmer's Leap Chardonnay, Padthaway 2021

White | Australia | Padthaway | 13% | Full-bodied white

CODE: FL210213

Farmer’s Leap’s 2021 is refreshingly pale with lovely buttery white fruit on the nose, a hint of hazelnut behind, a light touch of oak and just a hint of a warmer climate, despite its citrusy, racy finish. Very grown up.

"From Padthaway. Limestone Coast – subtly oak-aged with toast, lemon and butter (but not too much) on the palate." - Jonathan Ray, The Field Magazine, January 2023.

"Classic, pure, cool-climate Chardonnay that reminds me more of a good New Zealand Chardonnay than a typical, tight Australian Chardonnay. This may not be worth cellaring forever but it's nicely evolved and just lovely now. Lime and blossom and beautifully balanced." - Jancis Robinson MW, November 2023

Tasting Notes

Chardonnay is seen as Padthaway’s signature variety, perfectly suited to its relatively cool climate moderated by ocean breezes.
