

Gevrey Chambertin Vieilles Vignes, Domaine Rossignol-Trapet - Organic 2022

Red | France | Burgundy | 13% | Medium-bodied red

Organic

CODE: GC600223

From three plots across the commune with differing elevations and soils. Deep red black to the rim with a nose of perfumed black fruits, black jelly, spiced and alluring, quite restrained with some refreshing green twig notes too leading to a palate of saline black fruits, again with a refreshing leafy note, soft and supple and going to a fine long finish and the tannins only showing themselves at the very end. Drink 2027 - 2032

Tasting Notes

Nicolas Rossignol is, unsurprisingly, very happy with his 2022s with their delicious fruit characteristics and he also notes that the individual *terroirs* are clearly defined. These are wines which will age well and provide immense enjoyment in the future.
