

PRIVATE CELLAR

Marsannay Villages, Domaine Joseph Roty 2023

Red | France | Burgundy | 13% | Medium-bodied red

CODE: MA810233

Really deep in colour, vibrant and limpid, black red right to the rim, with a gorgeously expressive nose of black fruit, cassis and some loganberry, spiced and cool with some crème pâtissière notes. Lovely cool black fruit on the palate with substantial tannins behind, a zip of leafy freshness with bags of soft fruits too, classic Pinot with a lovely, floral, spiced finish.
Drink 2027 - 2033

A blend of different parcels from across the appellation

Tasting Notes

Pierre-Jean Roty loves his 2023s, calling them *'le vrai Bourgogne'*, combining pleasure with freshness of fruit yet still with the ability to age and evolve.

Pierre-Jean's passion is first and foremost for his vines. He explained to us how he is working with micro-nutrition in the vineyard, using visual observation supported by analysis to identify any shortcomings on a vine-by-vine basis. He then applies either organic or biodynamic treatments to help support the plants – small individual steps but he says the results are extraordinarily encouraging.
