

Riesling QbA Dry, Weingut Dönnhoff 2023

White | Germany | Nahe | 12% | Dry, fruity white

CODE: RD280233

Deliciously fresh and floral on the nose, racy and intense, the rich bright palate is infused with notes of lychee and jasmine and there's a lovely weight to this wine which is made so refreshing by the bright, mineral acidity running right through to the end.

Tasting Notes

From arguably Nahe's finest estate, this characterful wine acts as a wonderful entry point to the Dönnhoff family of wines. It works perfectly as an aperitif and also pairs brilliantly with Asian cuisine, shellfish dishes and cheese – think of it as a light splash of lemon juice to brighten up richer dishes.
