White | France | Burgundy | 12.5% | Dry, crisp white

CODE: MU710253

Bright green gold with a nose of lovely rich creamed white stone fruit, citrus, some spice, really alluring and a hint of rich and sunny weather. Smooth and creamy on the palate, ripe and rounded with a lovely citrus note, supple and ripe to the end. Delicious!

Tasting Notes

The Talmard family has always been guided by a deep love of the vine and a dedication to their craft. In 1997, Paul Talmard passed the torch to his daughter Mallory and her husband, Benjamin Gonçalves, who carried on his legacy with success. Over the next 15 years, they helped the estate flourish, expanding the vineyard from 16 to 40 hectares and increasing production from 150,000 to more than 300,000 bottles. In 2020, the next generation joined the family estate, as Marco, the son of Mallory and Benjamin, stepped into the tradition.
