

Morellino di Scansano Podere 414, Simone Castelli Magnums - Organic 2023

Red | Italy | Tuscany | 14% | Full-bodied red

Organic

CODE: MO690234

Deeply fruited, intense and smoky with hints of black pepper behind the ripe, brooding dark fruit, this has layer upon layer of fruit and structure. Pair it with roast duck, rich pasta sauces or grilled steak for a match made in heaven. Already delicious, it will mature gracefully for up to ten years.

Tasting Notes

For many years Morellino was considered an adjunct to Tuscany as it lies outside the main growing areas of Chianti and Brunello, but it has proved to be a stayer. Simone Castelli's Podere 414 is a blend of the Morellino clone of Sangiovese with a small amount of Ciliegiolo, Colorino, Alicante and Syrah, and it's a stunner. The label for Podere 414's Morellino di Scansano changes every year, making this a fun collector's item. Each label has a detail picked out in the ruby red of the wine, with the 2023 label depicting angels harvesting in the vineyard.
